Dear All

Welcome back! This week has been an exciting one for the children—Class 3 have been on camp to London, Class 2 have had a visit to a mine and Class 1 have been exploring their new classroom and making good use of their outdoor space.

Next week will be equally busy—especially for Class 1. Phonics Screening will take place next week and on Tuesday and Thursday, they welcome the September starters who will be coming in for a taster session.

On Tuesday, Tempest are coming into school for the class photos so please don't be late and wear your smartest uniform!

On Wednesday the whole school will be going to the Minack to see Dr Doolittle. This is a non uniform day but please check the forecast beforehand. If it is forecast to be sunny, wear plenty of suncream since the afternoon sun does fall onto the Minack. Hats and suncream to the ready! We are grateful to the Friends for helping us fund this trip and for supplying the interval ice-creams. Please remember that there are no music lessons or after school clubs next Wednesday and we are returning to school at approximately 5.30pm.

Friday the 15th will also be a non-uniform day and we are asking that the children bring in a small donation of a gift for the tombola. The tombola stall will be held at the parish fete on 23rd June. If you also have a chance, please could you have a look through your bookshelves? Donations for a book stall are also required, especially of children's books.

The road outside school has been resurfaced and the yellow zigzags will soon be re-painted. In the meantime, please remember not to obstruct the lower gate.

Sadly this week, a pupil fell from the monkey bars and has broken a wrist. This happened after school and has upset all of us. Please remember that once the school day has ended, the children are your responsibility and you use the equipment at your own risk.

Tim Barnard, Acting Head of School

*Late arrivals : if your child is late for school—please bring them to the main Reception so we can register them and order a lunch if needed. Please do not use the gate and door which lead into Class 1.*

### Class 3—London Camp 2018

We had an amazing time! Not only was the weather great, but our days were full of fun things.

We stayed in a youth hostel at Lee Valley which was superb. The boys had one lodge, and the girls had the other one next door. There was lots of space to run around and we had 2 hours of games on the first night.

Our first visit was to Greenwich and the observatory and we even got to stand either side of the meridian line!

On day 2 we had a ride on the London Eye and then went to the Science Museum. In the evening we went to the Lion King which was fantastic.

On Wednesday we had a tour and workshop in the Houses of Parliament and then onto Warner Bros Studios for a Making of Harry Potter tour.

The days flew by and we have some happy memories of our school camp.
