## Dear Parents

Thankfully we were hardly troubled by the road closure this week. In fact the workers did such a great job, they had it finished in 3 hours! On the subject of phones (and unrelated to the telephone pole works), we are having a new phone system installed but our phone number remains the same. Please remember that you can always email us or send a message via your Arbor app if you are unable to get through on the phone.

I would like to congratulate the Cox family and their band of helpers and supporters who put on a superb cake sale last week. The sale raised an impressive £76.00. Together with donations from family and friends, they have raised a total of £202.00 to date and are well on their way to their £500.00 target. Further fundraisers are planned so keep an eye out on social media for updates!

The school council met this week and have a short report for you. Remember that anyone can leave a suggestion in the box which is in Reception.

Please note that due to a staff training event, we have to cancel the after school club on Wednesday (12 Feb). We also have a new club starting for the year 3,4 and 5's on Monday after school. Cornwall Dance School will be running an hour long dance session which will be such good fun.

Finally, good luck to the children taking part in the cross country event this afternoon!

Tim Barnard, Head of School

## School Council

On Monday 27th January, we had our school council meeting where we started to look at the suggestions from our suggestion box. The one we would like to start is a suggestion to have a paper recycling point in each class.

We need a volunteer to help us collect the paper once a week and take it up to the recycling centre at United Downs.

If this is something you can help with, please let us know.

We have a meeting once a fortnight and will be discussing other ideas.

## Class 2—live weather watching!

The weather must have known that Class 2's topic was 'the weather'!

When the hail arrived this week, it was the perfect opportunity to wrap up and investigate. The children carefully collected cups of hail and carried out different tests.

The hail stones were actually very large! Cups were placed around the school, both inside and out, to find out where the hail remained solid the longest and why that might be?

Miss Palmer also had an infra red thermometer and we have been testing the ground temperatures in different places.

Fines are issued per parent/carer; per child. Failure to pay the Penalty Notice may result in Court action. Persistent absences not authorised by the school may result in a prosecution in the Magistrates Court, leading to fines up to £2,500 and/or custodial sentences. The Council may also apply for the costs incurred in taking the matter to Court.
