Dear Parents

The Summer sun is finally here so make sure the children have sun hats with them and apply suncream before coming to school!

I've heard great reports about the first ever Cusgarne colour run on Tuesday and it was wonderful to see the children wearing so many bright outfits—I didn't know you could get neon in so many colours! Don't forget to hand your sponsor money in to the Friends—or send via Reception in a sealed envelope please.

On Monday, Class 3 were invited to visit the geothermal site at United Downs. We went in 2 groups and had an interesting tour and talk. There is a final opportunity for the public to go along and see it for themselves this Saturday 29 June from 11am to 1pm.

KS2 are busy with their rehearsals for the Summer production of Joseph and is promises to be a great show. Please help your child with their lines and songs when you can.

Next Tuesday we are holding an Open School from 2pm. This is a lovely opportunity for you to come into school and spend time with your child in their class. Their displays are excellent and they will be keen to show you their books and what they are currently working on.

Last week we had visitors from across Aspire, who alongside 2 of our HUB councillors, looked in depth at how your children are taught, the progress they are making and how well the school operates. They were very complimentary and pass on their thanks for making them feel so welcome. (Our HUB councillors are Sally Campling and Claire Hains).

Enjoy the sunny weekend!

Tim Barnard, Head of School

Absence Requests—I am amazed that I am already getting requests for next year when the summer holidays are only around the corner. Please note that unless your request is exceptional, they will **not** be authorised. It is worth noting that there are 2 inset days before the October half term so with careful planning, families could get a 10 day break without missing time away from school.

FRIENDS OF CUSGARNE NEWS

Thank you all for the support you have given over the last few weeks, for a small school, you really do come together when it is needed. To let you know, the figures are in from sports day, and we are delighted to say that £350 was raised, a remarkable result.

We have had an exciting and fun few weeks, kicking off with the Minack Theatre trip last week. We were thrilled to support the trip again this year, by covering the cost of the coaches, but more importantly, providing the ice creams for everyone to enjoy.

We then had the village fete with the kids bake off. We were overwhelmed by the entries; they looked superb and tasted wonderful. Well done to all who took part, you should all be very proud of your creations. Our independent judge Sue had a difficult time deciding who should win. In the end she awarded first prize to Amelia Dale, with second prize going to Sunny Pepper. Congratulations to the winners! Thanks also to all of you who baked and donated cakes to sell too. The stall was laden with beautiful cakes, which very quickly sold!

Next up, we held our first colour run, and thank goodness the weather held for us! It was a great afternoon, the children were all remarkable, running, walking, crawling, cartwheeling, and dancing their way around. The Richard Jory playing field was certainly awash with colour!

We are kindly asking that all sponsorship forms and money raised, be returned by Friday 5 July please. We'll then count the collections and let you all know the cumulative total.

Thank you once again for all of your support, and we hope you enjoy the rest of your week.

Please note that next week is the last week for after school clubs.
