Dear All

Well done everyone - SATs and teacher assessments are over! You all had a fantastic attitude and it is never easy taking tests when the weather is so nice.

On Wednesday the children made the most of the sunshine and had outside time while the furniture was being moved from one end of the school to the other. We are just about there now but you can hear staff asking 'Where did I put that?' quite a lot at the moment. We will all quickly settle into our new rooms and routines and Class 1 will be able to safely access the outdoor space. As I mentioned in my letter home, all of the classes will have the run of the entire playground at playtimes and lunchtimes.

Next week is half term and when we return, Class 3 are going to camp to London. They are staying outside of the city at Lee Valley and it promises to be a super camp for them. Class 2 will be having a Plymouth Argyle PE session on Monday 4 June 2018 so remember to bring in PE kits and trainers.

We have a few outstanding replies for the Minack trip on 13 June, and Class 2's trip to King Edward Mine on 6 June. Please check the bookbags over the half-term and complete the necessary consent forms.

There will be a few disruptions to clubs and music lessons during the first week back (due to camp). Please check the diary of clubs at the end of the newsletter for information.

Advance notice that on Friday 15 June we will be having a non uniform day and will ask the children to bring in a donation for the tombola stall at the Parish Fete . More information will follow after half term.

Have a super half term break.

Tim Barnard,  
Acting Head of School.

## Road surface dressing—29th and 30th May

Cormac will be re-surfacing the road from Frogpool to United Downs during half term week. This is better planning for us but please note that if you are a regular user of this road—there may well be delays and hold ups. They have asked that any cyclists pay particular attention since there may be loose chippings on the road.

Tesco has today announced the closure of its general merchandise and clothing website, Tesco Direct, which will cease trading on 9 July 2018. We wanted to let you know that Tesco's Uniform Embroidery Service is unaffected and products will still be available at <https://www.tesco.com/direct/ues>

#### Sports Day—Monday 18 June 2018

This year, the whole school will be taking part in our Sports Day at the Richard Jory Playing Field. We will have an earlier lunch at school before walking the children up to Richard Jory where we aim to start our races at 1pm.

Parents, families and friends are invited to join us for the afternoon. Please bring a rug or deckchairs to sit on! Following our afternoon of activity, the Friends will be serving refreshments and selling raffle tickets for the big summer draw.

The children will be dismissed by their class teachers following the end of the races so please make sure the class teacher knows who will be collecting them. If you are unable to come along to Sports Day, please note that your child will need collecting from the Richard Jory Field.

On the day, we will be asking the children to come into school in their PE kit and bring along a jumper, sun hat and sun cream. They will also need to bring a refillable water bottle so we can top it up during the afternoon. Bookbags will not be needed on this day.

We will be reminding you of this information nearer the time.

If you have any questions, please ask!

#### Redruth School

A reminder please that the next Super Saturday dates for Year 5 students are :

9 June - Humanities;

30 June - Maths;

Year 6 pupils transferring to Redruth in September need to return their Summer School application forms by Friday, 25 June.

#### Medical appointments

Please can we remind parents that they should not be making routine medical appointments during school hours. We understand that sometimes there are emergencies, but leaving school to attend these appointments disrupts their learning and the rest of the class. Please let the school office know if you have to collect your child during the day for emergency or hospital appointments.

Thank you.

Hi everyone, the Friends of Cusgarne (FOC) here. We wanted to give you a heads up of some upcoming dates for your diary that are not to be missed:

This Friday - After school 'Lush' Bath bomb stall

08th June - After school ice-cream stall

18th June - Sports day at Richard Jory Playing Field. We'll be serving up teas/coffees/scones/strawberries & cream and let's not forget the raffle! There are some great prizes, which we'll display on the notice board soon, so don't forget to take a look.

22nd June - After school Strawberry stall

23rd June - Village Fete day, from 12 till 3, at the Richard Jory Playing Field. We'll be selling cakes (we'd love to have any donations for selling that you could bake or buy) and we'll be running a "Kids Bake Off" competition too (judged on the day with prizes) with the kids bakes being sold on the stall. We'll also be selling drinks, Pimms, maybe Ales?, Cloudy Lemonade... so make sure to leave the car at home if you can.

06th July - Cusgarne School Festival!!! Run from 4:30pm till LATE. This is not to be missed. We will have music from the Ritzy Belles for the first part of the evening, followed by an all out Rounders match...who doesn't love a bit of music and rounders. Bring a picnic, bring your drinks (alcoholic or non-alcoholic), and wear your frocks & wellies. More details to follow.

13th July - After school Melon stall

19th July - After school Ice Cream stall.

In addition to all of this, we are looking at target fundraisers.....the school is in desperate need of 30 laptops.....so it would be really fantastic if we could come up with ideas and ways to raise a substantial amount towards this.

If you're wondering why we do all of this well, quite simply, it's for the school and for the children. Everything we do is about raising funds so that the school and the children can do more than their budget allows them to. We help pay for school trips, The Minack Theatre, ice-cream, and where possible, purchase equipment that is used year on year. Did you know the FOC helped fund the outside play equipment, or the stage used in the hall? We will be sending out more information about what we raise, and where it gets spent, after half term so you have a better idea what we are all about.

What a long message....I hope you're all still with me!

If you'd like to get involved and help us make a difference, come along to our next meeting on Tuesday 05th June at 8pm at the Cornish Arms. We're always super excited to welcome new faces and new ideas.

Have a great half term all xx
