Dear Parents

This week we were lucky to have had a visit from Kernow King when he came along to present Cornish Caretakers. Together with his trusty gang, they gave two workshops introducing us to some Cornish characters and famous people.

Following this, we watched a brilliant show which put together all the things we had learnt in an entertaining and unique way. It was full of fun facts and humour and everyone enjoyed it!

Why not ask your children about it and if they can remember any Cornish words. Perhaps they'll remember splann?

It was great to see that some purple reading bands were awarded this week. Well done for keeping up with the reading—it is a pleasure to see so many of you engaged in your reading.

Thankfully the artic blast brought no disruptions and it seems that the weather is turning warmer for a while. I hope you enjoy your weekend.

Tim Barnard, Head of School

School Council News

We are currently working on our entry to the Think Big competition! If we win, we are awarded £500 to improve and get some new play-ground markings so we can all have fun outside. We'll let you know how we get on!

What is Think BIG?

Think BIG is a 'Dragon's Den' style competition aimed at primary and secondary school councils in Cornwall. Students on the school council will generate ideas on how £500 can be spent to improve something within a school. It promotes entrepreneurship, creative thinking, presentation skills and team work.

What should the idea focus on?

The idea should be of benefit to the whole school community and solve an existing problem; and be implemented by the end of July 2019.

Reducing plastic - Crisp Packet Recycling

Wow, this appears to be a favourite. We popped into Reception this week, and found the box was full! Maybe we need to think about a bigger collection box. If you're wondering what happens to them once we send them off, they are sorted and separated by material composition. The separated items are then cleaned, shredded, and made into new recycled products. Thank you for getting on board with this, keep them coming, and it'll ensure they get put to good use!

NEXT MEETING – Tuesday 05th Feb - 8pm, at the Cornish Arms.

Safer Internet Day 2019

Safer Internet Day 2019 will be celebrated globally on Tuesday 5th February with the slogan:

‘Together for a better Internet’.

Coordinated in the UK by the [UK Safer Internet Centre](http://www.uk-saferinternetcentre.org.uk) the celebration sees hundreds of organisations get involved and join a national conversation about using technology responsibly, respectfully, critically and creatively.

The day offers the opportunity to highlight positive uses of technology and to explore the role we all play in helping to create a better and safer online community. It calls upon young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers, and wider, to join together and help to create a better internet.
