As you can see, we are going to be very busy!

I would like to take this opportunity to explain this year's Christmas production. As you are all aware, getting everyone – including parents – into the Hall can be challenging and causes us a dilemma with our fire regulations. To overcome these obstacles, KS2 will be taking part in the City of Lights Parade while KS1 will entertain you all with our Christmas production. So that all of the children have a chance to perform, in July, KS2 pupils will be presenting the Summer Production.

I know that you will understand why we have had to make these changes and thank you for your continued support.

Cinema Trip details:

On Tuesday 20 November 2018, the whole school will be travelling to Truro cinema to see a special schools screening of Paddington 2 (rated PG).

We will be leaving school at 9am by coach to travel to Truro ready for the film to start at 10am. The children will need to wear their school uniform so they can be easily identified amongst the other schools who will be there.

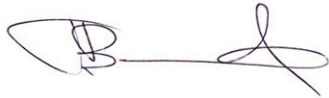

The film is due to end at mid-day and we will return to school for a late lunchtime. Unfortunately, our caterers are unable to keep the school dinners warm for this later time so the children will need to bring in a packed lunch from home or order a school packed lunch.

I am pleased to say that the cost of this trip is part subsidised by the Into Film Festival but I am asking for a voluntary contribution of £2.50 per child towards the cost of coach travel.

I would be grateful if you could return the reply slip to me by Friday 8 November 2018.

If you have any questions, please come and speak to me.

Yours sincerely

Mr Tim Barnard
