

English

Children will be exploring a range of texts linked with our theme of Medieval Times and will include:

- Narrative
- Report writing
- Instructional writing
- Poetry

PSHE

- Children will explore a range of emotions, decision making and social expectations, including circle time activities.

RE

- Christianity.

Maths

- Place value.
- Addition and subtraction.
- Multiplication and division.
- Problem solving and reasoning
- Multiplication fluency

Science - Electricity

Children will be able to:

- Identify common appliances that run on electricity.
- Construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers.
- Identify whether or not a lamp will light in a simple series circuit, based on whether or not the lamp is part of a complete loop with a battery.
- Recognise that a switch opens and closes a circuit and associate this with whether or not a lamp lights in a simple series circuit.
- Recognise some common conductors and insulators, and associate metals with being good conductors.
- Associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit.
- Compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches.

Autumn Term

Art/DT

Children will:

- Explore sketching a range of objects
- Explore Iron Age art
- Bake and cook
- Make masks

Geography/History

Children will learn about:

- The changes in Britain from Stone Age to Iron Age including Iron Age hill forts, tribal kingdoms, farming and culture.
- Human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water.

French
