Kingfisher school  
play performance
- \* **Thursday 22<sup>nd</sup> July**  
Y6 Leavers'  
Assembly and last  
day of term

## *Make the most of every moment*

## Welcome back!

We hope that you all had a restful half term and were able to enjoy the sunshine. We are looking forward to a busy summer term, full of lots of learning, trips and fun! We will be keeping Facebook updated so you can see all of the exciting things we are getting up to. We would really appreciate your support in attending our upcoming Sports Day and Summer Fair events. As always, if you have any questions, queries or would like to chat, please catch one of us in the playground or email in to [hello@cusgarne.org](mailto:hello@cusgarne.org).

## Notices

### PE changes

A reminder to please send your child to school in their PE kit on their designated PE day.

To give another class an opportunity to work with Plymouth Argyle sports coaches, there is a change to PE days for Kingfisher and Robin Classes from next week.

**Robins- Thursdays**

**Starlings- Tuesdays**

**Kingfishers- Fridays**

As the weather gets warmer, please ensure your child has extra sunscreen applied on PE days, and that they bring a sunhat and a water bottle to school, as well as a waterproof coat.

### Library update

Before half term, we had a visit from the Book Bus from Cornwall Library Service and added lots of new and interesting books to our library, ready for weekly class visits. We are still adding some finishing touches and we are really pleased with our space. However, over half term we have had some birds move into the ceiling space above the room and we are unable to remove them until they finish nesting. Hopefully we can get the library back up and running soon!

### Our pond

We have recently had our pond dug out so it holds more water and we have released our tadpoles and froglets into it. We want to make this a fantastic learning and nature space. If you, or anyone you know, could give us any help or advice we would really appreciate it.

★ Stars of the week! ★

Hot chocolate Friday

Stars of the week

Maths, reading and PE awards

Well done!

# Class updates

## Robin class

In Robin Class, the Reception children have been learning how to share equally and the Year 2s have been learning about tally charts and block diagrams. We have been working hard on our letter formation and our tripod pencil grip - any additional practice at home would be amazing.

The Year 2 children have also been using the Morphs Spelling app to consolidate their spelling skills - they have their login details in their reading records and could access this for free on the App Store.

Next week, we will be continuing our Jack and the Beanstalk story and practicing for Sports Day.

# Class updates

## Starling class

Starling Class have begun planning their own adventure stories in English this week. They have been creating characters and a setting with a portal that takes them to a new world! We have also started our new Geography topic which is comparing the South-West of the UK and the South Aegean in Greece.

Thursday 4<sup>th</sup> June

Picture: Land of Whale Song  
WALT: plan an adventure narrative (1)

Use the structure of the text to help you plan your own adventure narrative.

PPI - Characters are introduced

Backstory	Mia used to play chess on the sofa but now she likes dancing now.
What land do they visit?	The Land of The Adorable Red Birds

During French lessons, we have been learning about the seasons and next week we will be looking at the weather.

# Class updates

## Kingfisher class

This week in Kingfisher class, some of our footballers enjoyed taking part in a match against Truro Learning Academy. The children demonstrated excellent teamwork and sportsmanship, making us very proud.

We have also cast our upcoming school production of "I'm a Cusgarne Kid, Get Me Out of Here." The children are excited to have their roles and have already begun learning their lines with great enthusiasm.

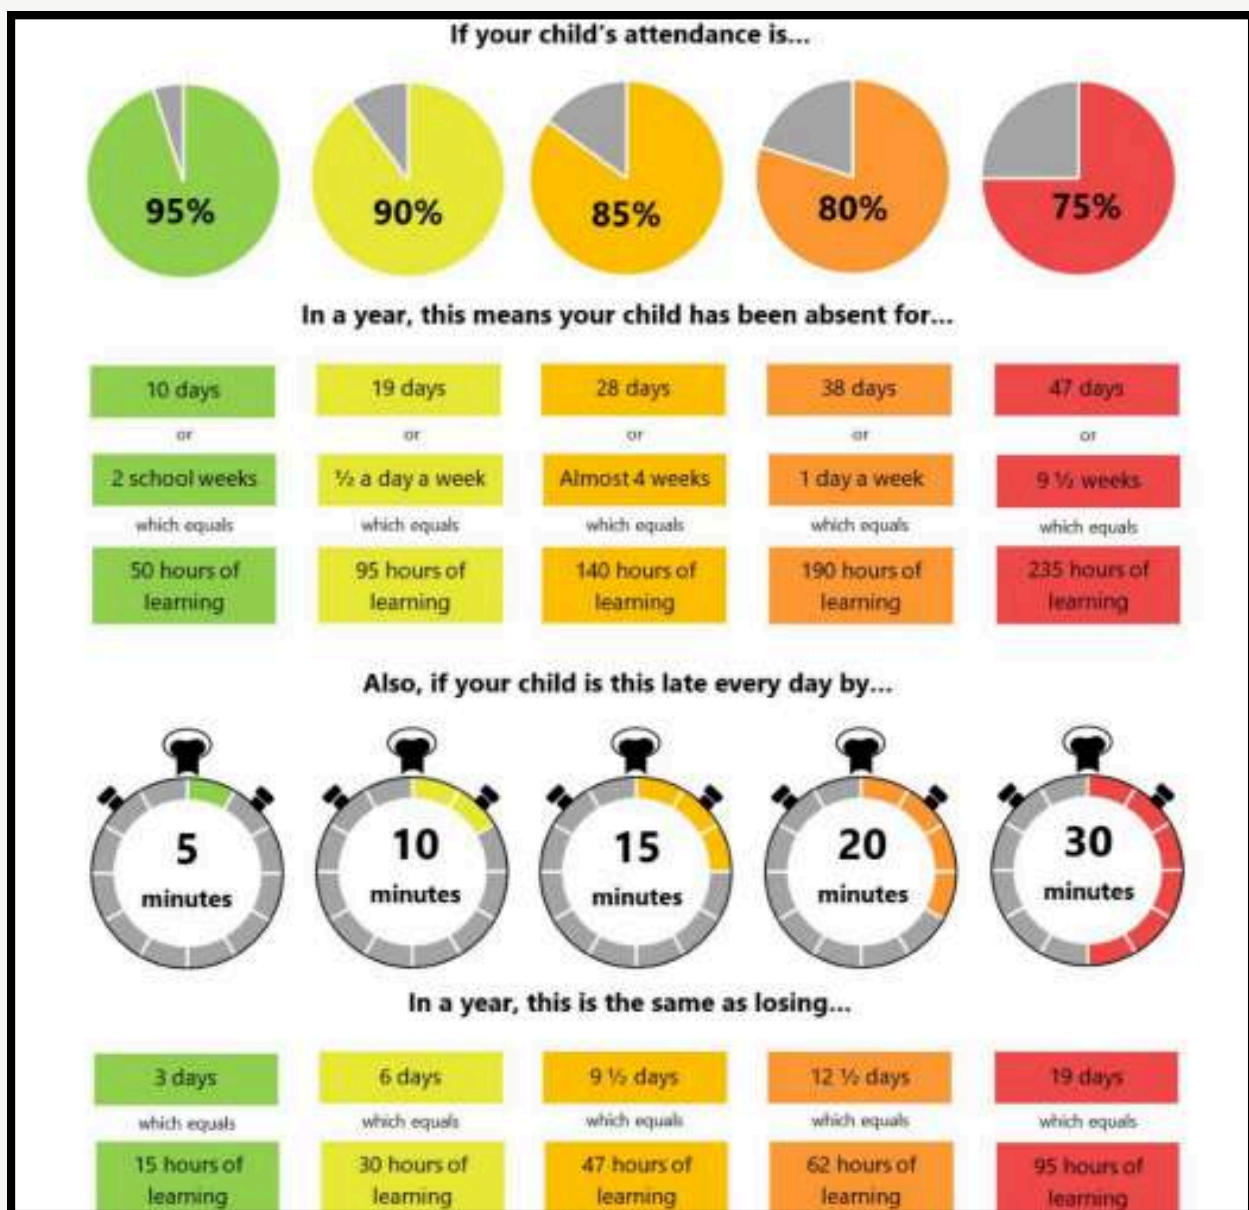

Next week, our Year 5 pupils are looking forward to taking part in the Aspire Games at Carn Brea. We wish them the very best of luck and know they will represent the school brilliantly.

# Attendance

At Cusgarne, we want to **make the most of every moment**. Regular school attendance is one of the best ways to help your child succeed. When children come to school every day, they keep up with their learning, build confidence in their skills, and develop good routines that set them up for the future. Every day at school matters—it helps your child stay on track and get the most out of their education.

Being late by just a few minutes each day quickly adds up to hours of lost learning over time. Arriving on time helps children start the day settled, ready to learn, and able to make the most of every lesson.

# Reading challenge!

## Get caught reading!

To help decorate our newly refurbished library, we would love to display some photos of you reading in unusual places.

Can you get caught reading somewhere different? Perhaps in the sea, upside down, or somewhere creative and unexpected?

Please email your photos to [hello@cusgarne.org](mailto:hello@cusgarne.org).

**We have had some brilliant entries already and would love to see some more!**

Here is an old photo of Miss Goodman when she got caught reading on a horse!
