- * **September 3rd and 4th**
INSET days.

Make the most of every moment

Ofsted

What a busy and exciting term it has been, culminating in our recent Ofsted inspection!

Firstly, I would like to say how incredibly proud I am to be at Cusgarne School. It is a truly special place, and I could not have been prouder of the way our children represented themselves and our school throughout the inspection. They were polite, confident, enthusiastic and a credit to our whole community. Our staff team has worked tirelessly this year, and it was a pleasure to see them sharing their passion, dedication and expertise with the inspectors. The visit provided a wonderful opportunity to showcase the high-quality teaching, learning and care that takes place every day at Cusgarne.

As many of you will know, the final report will not be published until after the holidays, so we are unable to share any outcomes at this stage. However, we are very much looking forward to sharing the report with you when it is released next term.

Thank you for your patience this week if responses or communications have been slightly delayed while the inspection process has been taking place. We will return to normal routines next week and will catch up on anything that may have been missed.

Finally, I look forward to seeing as many of you as possible at our Summer Fair tomorrow. It promises to be another wonderful celebration of our fantastic school community.

Thank you, as always, for your continued support.

Miss Goodman
