First week back

It has been wonderful to welcome everyone back to school this week, including some new faces. We have hit the ground running and have already enjoyed our first outdoor learning sessions. The children have settled in brilliantly, and we are looking forward to an exciting term filled with lots of learning and new experiences. We look forward to continuing to grow and thrive as a school community.

Attendance

At Cusgarne, we want to **make the most of every moment**. Regular school attendance is one of the best ways to help your child succeed. When children come to school every day, they keep up with their learning, build confidence in their skills, and develop good routines that set them up for the future. Every day at school matters—it helps your child stay on track and get the most out of their education.

Being late by just a few minutes each day quickly adds up to hours of lost learning over time. Arriving on time helps children start the day settled, ready to learn, and able to make the most of every lesson.
