INSET day

Make the most of every moment

Week 2

Thank you for supporting your child's attendance. We are delighted with the excellent attendance so far this year, and the classes have settled brilliantly into their learning. 

The children are thoroughly enjoying their outdoor learning sessions, showing great enthusiasm and engagement. What a fantastic start to the term! Thank you for your continued support.

★ Stars of the week! ★

Well done!

Notices

Bikeability

A reminder that next week will be Bikeability for Year 5 and 6. Please ensure you have read the letter carefully. Please bring in a working bike and helmet for your child if they have them.

Harvest

This term, we will be holding two collections and would be grateful for a donation to either.

School Auction- More information coming soon! Money raised will go to Friends of Cusgarne School and be used towards trips and resources for the school.

Truro Foodbank-We will have a collection point in the office for these items.

Tinned meat/fish/vegetarian options

Tinned potatoes, peas, carrots, sweetcorn, tomatoes

Tinned puddings and fruit

Long life milk and fruit juice

Coffee, Tea

Cereal, jam, honey, peanut butter

Pasta, microwave packet rice

Cooking sauce jars

Shampoo, shower gel, toilet rolls

Drop-in sessions

A chance for parents to meet with the School Family Support Worker in a confidential and supportive environment to discuss any challenges affecting their child or family. This will be in a private space and all are welcome to drop in.

Outdoor learning

For our weekly outdoor learning sessions, please make sure your child has the following items in school:

- Wellington boots
- Waterproof coat
- Waterproof/ old trousers

Class updates

Robin class

This week in Robin class, we had a visitor: Adam the skeleton. He helped us learn about the different bones in our body. We have also found out where and why The Great Fire of London started and celebrated International Dot Day with a spot of creativity in our Art studio.

We have also started our regular reading sessions using our phonic decodable books, please could you listen to your child read at least 1 page a day to help with their fluency.

Class updates

Starling class

In Year 3/4 Science, we began our unit on scientific enquiry and put our learning into practice by making our very own solar ovens. It was fantastic to see the children applying their scientific knowledge and thinking carefully about how to test their ideas.

Across KS2, the children also took part in a mental health workshop with the lovely Hannah. We explored the important ideas of sympathy, empathy and conflict, and discussed how these can affect our relationships and the way we interact with others. We look forward to continuing this valuable learning next week.

Class updates

Kingfisher class

This week in science, we explored the properties of different materials and considered why certain materials are chosen for particular purposes. We enjoyed thinking about how the properties of a material can make it more suitable for one use than another.

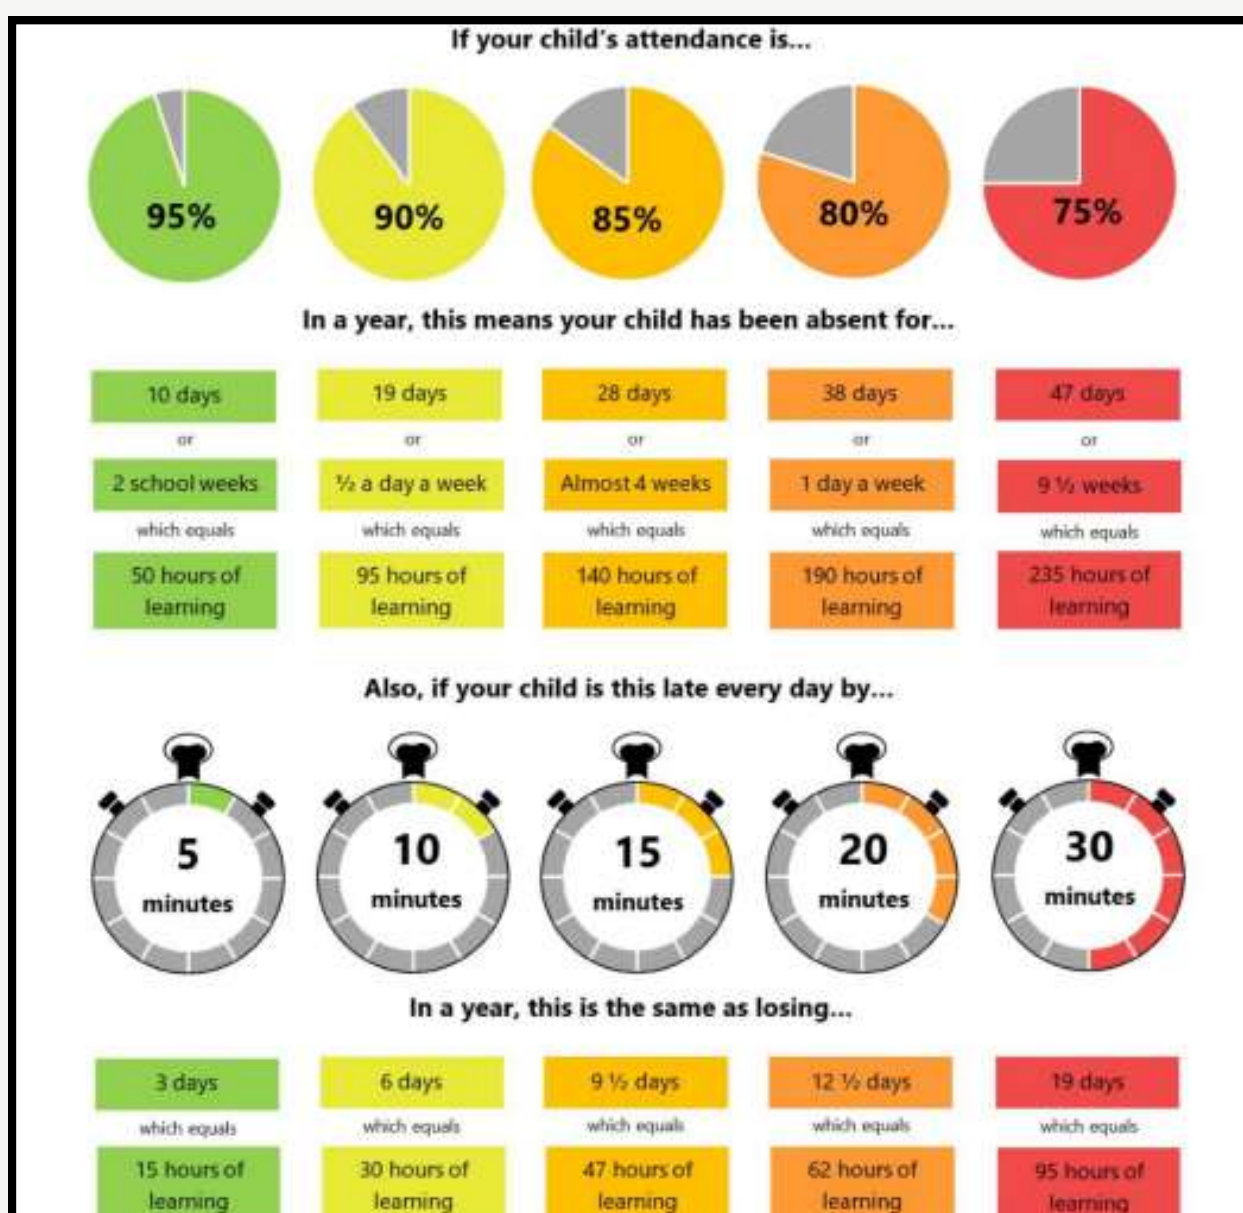

Across KS2, the children also took part in a mental health workshop with the lovely Hannah. We explored the important ideas of sympathy, empathy and conflict, and discussed how these can affect our relationships and the way we interact with others. We look forward to continuing this valuable learning next week.

Attendance

At Cusgarne, we want to **make the most of every moment**. Regular school attendance is one of the best ways to help your child succeed. When children come to school every day, they keep up with their learning, build confidence in their skills, and develop good routines that set them up for the future. Every day at school matters—it helps your child stay on track and get the most out of their education.

Being late by just a few minutes each day quickly adds up to hours of lost learning over time. Arriving on time helps children start the day settled, ready to learn, and able to make the most of every lesson.
