Make the most of every moment

Wellbeing Wednesday

Wednesday 14th October

To celebrate World Mental Health Day (10th October), we will be taking part in a range of wellbeing activities next Wednesday. We will be preparing activities that link to the Five Ways to Wellbeing that are shown below.

We would like to invite children into school in their own clothes, wearing something comfortable and something yellow. This could be socks, a hairband, a jumper or even a whole yellow outfit. We will be wearing yellow to support the #HelloYellow campaign run by Young Minds.

You can donate to their cause [here](#).

★ Stars of the week! ★

Well done!

Harvest

When: Monday 19th October, 2pm

Where: School hall

What: Assembly and auction event!

Please join us to hear the children perform some of the songs they have been learning in singing assemblies. Following the assembly, we will be holding an auction to raise funds for our wonderful Friends of Cusgarne, who help provide the children with fantastic resources, experiences and trips throughout the year.

To make the auction a success, we are looking for donations that people can bid on. This is a great opportunity to get creative! For example, you might put together a themed hamper such as a Movie Night pack with popcorn, hot chocolate, fluffy socks and treats, or just bring in an unwanted birthday gift from home! There will be experience days on offer to bid on too.

Every donation, big or small, will help us raise money for the children, so please do get involved if you can. We hope you'll come along, enjoy the children's performance and support this fun community event. Thank you in advance for your generosity

Tinned meat/fish/vegetarian options

**Tinned potatoes, peas, carrots,
sweetcorn, tomatoes**

Tinned puddings and fruit

Long life milk and fruit juice

Coffee, Tea

Cereal, jam, honey, peanut butter

Pasta, microwave packet rice

Cooking sauce jars

Shampoo, shower gel, toilet rolls

As well as this, we are still collecting these items for Truro Foodbank. Thank you to those who have already donated.

Class updates

Robin Class

This week in Robin Class, we have been diving into The Great Fire of London and have started to build our Tudor houses. We have also been practicing our singing and poem ready for Harvest Festival.

Next week, we will be continuing our Science theme of our senses with taste and touch.

Class updates

Starling Class

This week, we have been continuing our 'Shang to Shanghai' topic by researching modern-day China. We have learnt lots of interesting facts! We have also enjoyed continuing our History topic on the Shang Dynasty, where we have explored warfare and the development of writing. To finish the week, we have begun looking at the 5 Ways to Wellbeing in preparation for Mental Health Day this weekend. We have enjoyed thinking about how we can look after our own wellbeing and support those around us.

Next week, we will be writing our non-chronological reports about China, as well as learning more about how we can look after our wellbeing.

Class updates

Kingfisher Class

This week in Kingfisher, we have enjoyed continuing our History topic on the Shang Dynasty, where we have explored warfare and the development of writing.

In RE, we have enjoyed learning about Pentecost and exploring why this is such an important event for Christians.

We have also loved taking our learning outside during Wild Tribe. To finish the week, we have begun looking at the 5 Ways to Wellbeing in preparation for Mental Health Day this weekend. We have enjoyed thinking about how we can look after our own wellbeing and support those around us.

Next week, we will continue to learn about how we can support our own wellbeing and mental health.

Attendance

At Cusgarne, we want to **make the most of every moment**. Regular school attendance is one of the best ways to help your child succeed. When children come to school every day, they keep up with their learning, build confidence in their skills, and develop good routines that set them up for the future. Every day at school matters—it helps your child stay on track and get the most out of their education.

Being late by just a few minutes each day quickly adds up to hours of lost learning over time. Arriving on time helps children start the day settled, ready to learn, and able to make the most of every lesson.
