Parents' Evenings

Some of our children will be performing in this show.

Make the most of every moment

♥ WELLBEING WEDNESDAY ♥

★ Stars of the week! ★

Well done!

Notices

Harvest Auction

When: Monday 19th October, 2pm

Where: School hall

What: Assembly and auction event!

Thank you to those who have brought in donations for Truro foodbank or our auction event. We look forward to seeing you on Monday at 2pm to hear some songs and bid on some items!

FOCs Halloween Disco

When: Friday 23rd October, 3-4.30pm

Where: School hall

What: Disco for the children

On Friday, please send your child in with £4 for the disco to support FOCs and have some fun on the last day of term! We will endeavour to help your child get into their costume/outfit before the disco starts, so please send them in with it. No scary masks or weapons please. We'd also be very grateful if costumes could be kept simple and easy to put on, as we will have lots of little witches, vampires and pumpkins to help get ready!

Thank you to FOCs, who have also organised the donation of pumpkins from Tesco, which we will design in school to bring home.

All money from the auction and disco will go towards funding some of our Christmas Lappa Valley and cinema trips.

Class updates

Robin Class

This week in Robin class, we have made our doors for our Tudor Houses using L hinges. In Science, we have used our sense of touch and used our scientific language to describe what we can feel as well as comparing the objects. In English, we have been finishing the story of Snow White and I am always blown away at the drawings and writing of the children. In maths, EYFS have been creating their own patterns and Y1 have been subtracting.

Compare and record how it feels to touch different objects.

Description	Name of item	Drawing of item
hard	COOKER	
soft	TOY ORANGE	
rough	EWING	
smooth	EGG	
sharp	PIRATES	
round	EGG	

Next week, we will be finishing our Tudor Houses and we shall be exploring our senses of taste and smell.

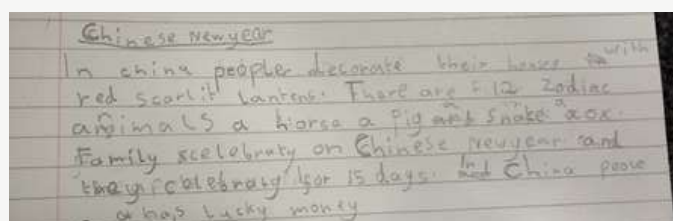

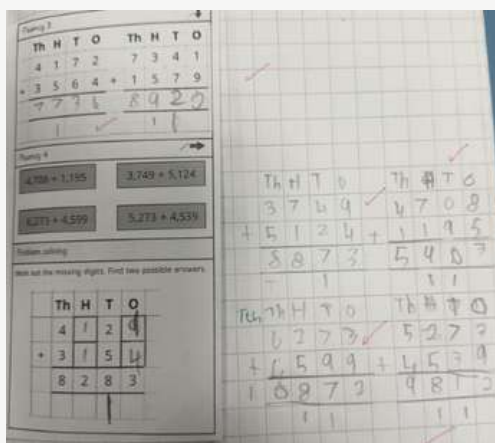

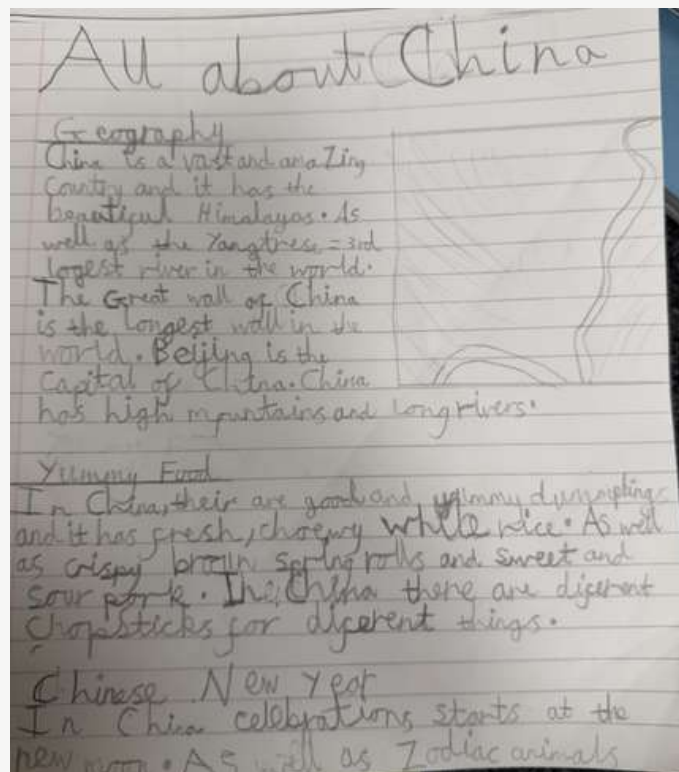

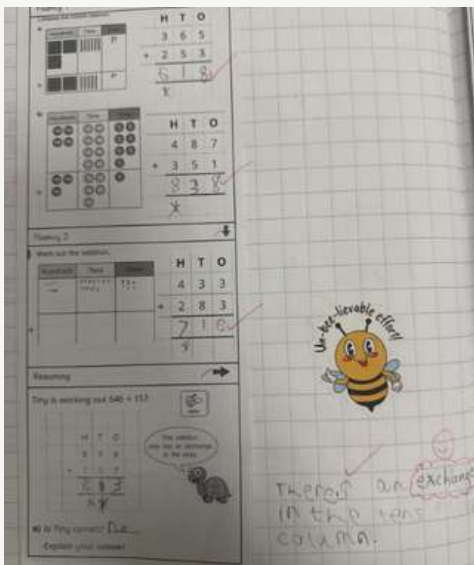

Class updates

Starling Class

This week, Starlings have been writing their non-chronological reports about China. The children have used amazing vocabulary and lots of interesting facts. We are editing our writing today to make it even better! In maths, we have been using column addition to work out tricky sums which involve exchanging. We have been blown away by the children's marvellous maths skills! Well done Starlings!!

Next week, we will be enjoying lots of practical activities, including making our kites in DT and doing some Halloween crafts!

Class updates

Kingfisher Class

This week in Kingfisher, we have enjoyed beginning our non-chronological reports all about modern China. The children have worked incredibly hard to develop their writing skills and have been growing in confidence and independence, particularly when using a thesaurus to find exciting vocabulary.

We have also enjoyed a wonderful wellbeing afternoon to celebrate World Mental Health Day, wearing yellow to show our support. We discussed why looking after our mental health is so important and took time to write positive affirmations for one another. Even the teachers received some lovely, thoughtful reminders of why we do what we do, which was a very special moment! 💛 It has been a lovely week full of learning, kindness and positivity in Kingfisher!

Attendance

At Cusgarne, we want to **make the most of every moment**. Regular school attendance is one of the best ways to help your child succeed. When children come to school every day, they keep up with their learning, build confidence in their skills, and develop good routines that set them up for the future. Every day at school matters—it helps your child stay on track and get the most out of their education.

Being late by just a few minutes each day quickly adds up to hours of lost learning over time. Arriving on time helps children start the day settled, ready to learn, and able to make the most of every lesson.
