Dear Parents,

It has been another vibrant week at school, the sun has kept shining and so have all our pupils. As parents you should be very proud of how well they have returned to school, and how they are so settled into their new routines. Our new strategic partner visited each class yesterday and commented how the etiquettes, and manners of our children are outstanding – and I have already witnessed some wonderful acts of kindness to each other – super start children.

Google classroom is now up and running as I am sure some of you are aware – The teachers will be posting homework each week for your child to access and complete, using the digital platform. The schedule for homework for each class is below. Can I politely remind parents that the chat and feedback area is for the use of the children only please as I am sure you are absolutely aware, and understand the reasons for this.

Reception pupils will be using the Tapestry platform to upload observations as well as to access their home learning and I believe that you should all have access to this. If you have any questions please let us know.

Just to confirm that Reading Eggs and Mathletics have all be successfully set up for all children from Reception to Year 6, this can be accessed both at school and at home.

Friends of Cusgarne - Announcing the Friends of Cusgarne School AGM 2021

Date: 7:30pm, Thursday 30<sup>th</sup> September 2021

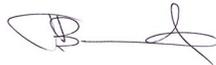

Venue: Frogpool pub

All are welcome to the first Friends meet of 2021-22. We'll talk about the current FoC funds, activities and plans for the upcoming year, and welcome new members and committee members, as well as thanking those who have worked so hard to keep the Friends as a valuable asset to the school. Do come along if interested or if you have any ideas or time - or both! - to help our school. The FoC.

On a final note, please be vigilant if your child has any Covid symptoms please get a PCR test done, and keep us up to date with any results. Remember you can still send any siblings in to school while this is taking place, as long as they are showing no symptoms, but if you have any questions please let us know – many thanks for your support in this matter.

I wish you all an excellent weekend and I hope the sunshine continues for us all.

Yours sincerely

Tim Barnard
