Dear Parents,

I'd like to begin by thanking you all for your generosity last week for Children in Need Day, we raised £168! A huge thank you to all the bakers who donated cakes, Mrs Murray & the school council for organising the cake sale, and all the parents who sent in donations for their children. I hear children were allowed to take 3 cakes each, with leftovers being sold at the end of school. Fantastic effort, thank you!

Next, it's that time of year again when there are multiple colds, viruses, and nasty bugs around, as well as everyone edging on the side of caution when it comes to COVID-19. Please can I remind you all that should your child be absent from school for any reason, you must contact the school by 9am that day. It is also imperative that you continue to ring each consecutive day that your child is not in school so that our registers can be updated accordingly. Thank you for your understanding.

We had Tempest visit our school yesterday for individual and school sibling photos, and can I say that all the children looked very smart! All photos were sent home in book bags yesterday, and anyone who would like to order, could you please either order online or bring your order form with payment into school by next Thursday (2<sup>nd</sup> December).

In other news, Starling Class headed outside this week for their story time, making great use of the outside area that we now have in school. Although winter is approaching, hopefully we can still use this area throughout the colder months, when the weather allows. Here are some photos from their session:

On Tuesday afternoon a mixed team of year 5 and 6 children played in a football tournament at St Erme and Trispen School. They played three matches in total and drew each game 0-0, 1-1 and 0-0. Louie Campling (who was our goal scorer) was the captain, he led and organised the team superbly. He told the rest of Kingfisher Class the following morning that 'everyone played really well and worked hard as a team which got them such good results.' Mrs Murray said it was a great team performance and that she was so proud of them all! Well done to: Louie Campling, Freddie Judd, Bethan Knights, Poppy Herivel, Martha Pepper, Tommy Parfitt, Daniel Hill and Logan Fearn. Mrs Murray and all the team would like to thank their parents who helped transport them and gave them tremendous support during the afternoon. Many photos were posted on Twitter and on the school website, but here are some extra photos that were taken at the end of the afternoon, which reflect how much fun the children had!
