

Promoting British Values at Cusgarne

- **Democracy** - making decisions in a fair and democratic way by voting, for example our School Council.
- **Rule of Law** - the importance of laws, whether they are to govern the class, the school or the country. The use of laws to ensure our wellbeing and safety.
- **Individual Liberty** - pupils are actively encouraged to make choices, and understand and exercise personal freedoms, including the right to voice our opinion.
- **Mutual Respect** - pupils understand mutual respect is expected, and that respect is shown to everyone, to create high quality relationships. Being aware that everyone is equal.
- **Tolerance of Those of Different Faiths and Beliefs** - accepting that other people have different religions or beliefs. Ensure we treat people of different faith, sex or religion in a fair way, and respect the views, opinions and feelings of others.

At Cusgarne School we think these British Values are important to ensure we all live in a fair and kind world.
