

Cusgarne School Plan for making best use of the Catch-up Premium

Following the enforced interruption to schools earlier this year, due to the Covid 19 pandemic, the Government pledged extra funding to help children catch up where they may have fallen behind. Below is an overview of how we will be using this funding.

Teaching

- Purchase resources to support use of manipulatives in teaching maths.
- Purchase additional high quality reading books closely linked to phonics teaching to improve reading attainment and promote the love of reading.

Additional teaching staff for intervention groups:

- Small group & 1:1 reading & phonic intervention.
- Small groups & 1:1 Maths intervention.

Wider strategies

- Targeted group teaching to support Mental Health & Well-being, including developing greater resilience.
