Dear Parents,

Firstly, can I just say how wonderful it was to have you all in school for Parents Evening this week, it's so nice to have another bit of normality back. For any parents that were unable to attend, contact will be made in the next couple of days to rearrange.

Following feedback from Tuesday's meetings, one of the issues that came to light was that of wraparound care. This is something that we are looking into and would really appreciate your feedback on this so that we can gain an idea as to how many children would be attending these sessions. An email was sent out today with a form to complete, we are in the very early stages at the minute, but we will keep you updated with any further developments on this matter.

You may be aware that there are a number of COVID-19 cases in our school community at present. If your child is unwell or showing symptoms, please be vigilant and report any positive test results to the school. To the families who have been affected by this already, thank you very much for your cooperation & understanding in keeping the children at home, it has been greatly appreciated.

Tomorrow is Red Nose Day for Comic Relief. All children are invited to come into school wearing something red, and we will also be taking part in various activities throughout the day. There will also be a cake sale after school in the playground, organised by the school council. For anybody wanting to bake cakes, please can you bring them in tomorrow morning – thank you in advance for these! Please note that we will not be taking any cash donations in school. There is a suggested donation of £1 for non uniform, and £2 if your child would like a cake. The link for donating can be found [here](#).

We also have the book fair in school next Monday – Wednesday. This is being run by the Friends of Cusgarne after school until 4.15pm. Further details of this can be found at the bottom of this newsletter.
